

Nursing Mothers and

Over-burdened Women

In all stations of life, whose vigor and vitality may have been undermined and broken-down by over-work, exacting social duties, the too frequent bearing of children, or other causes, will find in Dr. Pierce's Favorite Prescription the most potent, invigorating restorative strength-giver ever devised for their special benefit. Nursing mothers will find it especially valuable in sustaining their strength and promoting an abundant nourishment for the child. Expectant mothers too will find it a priceless aid in preparing the system for baby's coming and relieving the ordeal comparatively painless. It can do no harm in any state, or condition of the female system.

Delicate, nervous, weak women, who suffer from frequent headaches, back-ache, dragging-down distress low down in the abdomen, or from painful or irregular monthly periods, gnawing or distressed sensation in stomach, dizzy or faint spells, see imaginary specks or spots floating before eyes, have disagreeable, pelvic catarrhal drain, profluous, antivenereal or retro-version of other displacements of womanly organs from weakness of parts will, whether they experience many or only a few of the above symptoms, find relief and a permanent cure by using faithfully and persistently Dr. Pierce's Favorite Prescription.

This world-famous specific for woman's weaknesses and peculiar ailments is a pure glyceric extract of the choicest native, medicinal roots without a drop of alcohol in its make-up. All its ingredients printed in plain English on its bottle wrapper and attested under oath. Dr. Pierce thus invites the fullest investigation of his formula knowing that it will be found to contain only the best agents known to the most advanced medical science of all the different schools of practice for the cure of woman's peculiar weaknesses and ailments.

If you want to know more about the composition and professional endorsement of the "Favorite Prescription," send postal card request to Dr. R. V. Pierce, Buffalo, N. Y., for his free booklet treating of same.

You can't afford to accept as a substitute for this remedy of known composition a secret nostrum of unknown composition. Don't do it.

Often The Kidneys Are Weakened by Over-Work.

Unhealthy Kidneys Make Impure Blood.

It used to be considered that only urinary and bladder troubles were to be traced to the kidneys, but now modern science proves that nearly all diseases have their beginning in the disorder of these most important organs.

The kidneys filter and purify the blood—that is their work.

Therefore, when your kidneys are weak or out of order, you can understand how quickly your entire body is affected and how every organ seems to fail to do its duty.

If you are sick or "feel badly," begin taking the great kidney remedy, Dr. Kilmer's Swamp-Root, because as soon as your kidneys are well they will help all the other organs to health. A trial will convince anyone.

If you are sick you can make no mistake by first doctoring your kidneys. The mild and extraordinary effect of Dr. Kilmer's Swamp-Root, the great kidney remedy, is soon realized. It stands the highest for its wonderful cures of the most distressing cases, and is sold on its merits by all druggists in fifty-cent and one-dollar size bottles. You may have a sample bottle

by mail free, also a pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing to Dr. Kilmer & Co., Joliet, N. Y. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Joliet, N. Y., on every bottle.

Harry Mitchell of Mena, Arkansas, is visiting relatives near this city.

Miss Ellen Platte of San Jose, California, arrived Tuesday evening for a visit with friends.

Father George B. Curry went to Kansas City Tuesday evening on business connected with his church.

Where Bullets Flew.

David Parker of Fayette, N. Y., a veteran of the civil war, who lost a foot at Gettysburg, says: "The good Electric Bitters have done is worth more than five hundred dollars to me. I spent much money doctoring for a bad case of stomach trouble, to little purpose. I then tried Electric Bitters and they cured me. I now take them as a tonic and they keep me strong and well." 50 cents at Crenshaw & Young's drug store.

Mrs. M. L. Chandler returned Tuesday evening from Kansas City, where she was called recently by the illness of her daughter, Mrs. Terrill Thompson.

Cadet Wilson, who sustained a broken leg in the Wentworth-Washburn football game Monday was taken to his home in Bethany, Missouri, Tuesday evening. Wilson will be laid up for several weeks but will return to school as soon as possible.

KINGSLEY'S SPEECH

Substitute for Clayton Had a Large Audience and Made a Good Impression.

Early Saturday morning the local Democratic committeemen received a message from State headquarters at St. Louis, stating that Mr. Clayton, who was billed to speak here could not be present. There was a crowd coming to Lexington in anticipation of his speech and so the gentlemen in charge of the campaign in these parts were in a quandary. A hasty conference ensued and it was decided to send to Kansas City for Hon. G. W. Kingsley, a well known political orator of that place. Mr. Kingsley received the message at 9:45 and had literally to run to catch a train.

At 1:30 the W. M. A. band began to play in the court house yard and a good sized crowd gathered. There were many farmers in it, notwithstanding the fact that the same afternoon W. J. Bryan was passing through the county on the C. & A. The speaking took place in the upper court room. Hon. Wm. H. Chiles of this city introduced Mr. Kingsley who spoke for an hour and a half on the live issues of the campaign, both state and national. In spite of the fact that he was called on at such a late hour he pleased the audience immensely and was interrupted frequently by applause. There was nothing startling in his address—just plain Democratic doctrine—but he gave the audience what it wanted. He filled the bill admirably and undoubtedly made good.

Dr. Lee.

Dr. Guy Carleton Lee, whose great history of North America is now in process of publication, is one of the few men who can truthfully say that his education cost him nothing, and that no one else paid for it. The fact here stated sounds like an impossibility, but is true, nevertheless. Dr. Lee won his way through college and university by the simple, though rather laborious method of capturing every prize that was offered for the competition of the students.

For example, in Johns Hopkins University he gained a scholarship in his first year, and kept himself in pocket money by earning a hundred-dollar prize for historical composition. The second year he won an honorary scholarship which paid his tuition and more besides; while in his third year, that in which he was awarded his Doctorate of Philosophy, not content with winning the historical fellowship, the highest honor in the gift of the university, he gained a teaching appointment paying him over a thousand dollars.

How did he do it? Well, here is the schedule which he followed for six college years without missing a day except Sunday. How many young men of today would like to follow the strenuous life as here laid down? "Rise at seven, exercise one half hour, bath and shave, breakfast; eight a. m., begin to study, attend lectures and recite; one p. m., lunch; one thirty, to work again; five p. m., exercise one half; six, dinner; seven, begin work again. Work constantly until one a. m.; exercise one-half hour; retire."

It is not to be wondered at that the boy who could originate and stick to this program should become and remain one of the star students of the University.

Measuring Social.

The Epworth League of the M. E. church gave a measuring social in the Sunday school room Friday evening. The social was very successful in every way, especially from a financial standpoint, \$25.80 being added to the treasury fund. A large crowd attended the social. An interesting program, consisting of musical selections, vocal numbers, and readings was given by the young ladies of Central College. This feature was greatly enjoyed.

A Shaking Up

may all be very well so far as the trusts are concerned, but not when it comes to chills and fever and malaria. Quit the quinine and take a real cure—Ballard's Herbine. Contains no harmful drugs and is as certain as taxes. If it doesn't cure, you get your money back. Sold by Crenshaw & Young.

Installation at Prairie Church.

The installation services at the Prairie Presbyterian church Sunday afternoon attracted a large congregation. Dr. E. C. Gordon of this city delivered the sermon and Dr. Xenophon Ryland of Higginsville charged the new pastor, Rev. S. F. Shaffer.

Mr. and Mrs. C. L. Glascock, Dr. and Mrs. E. C. Gordon, Mrs. Martha Barnett, Miss Carrie Barnett, Mrs. Joe Barnett, Miss Fannie Young, Miss Lella Gordon and Felix Young were among those of Lexington who attended.

WON BY A PLACE KICK

Wentworth Had a Hard Time Defeating the Washburn Second Team.

Another victory was added to Wentworth's football record for 1908 Monday afternoon, when the cadets defeated the second team of Washburn college by a score of 4 to 0. The only count was made by Owens, who negotiated a place kick six minutes after the first whistle blew. Wentworth was clearly the better team in regard to ability and condition, but still the red and white had a close call. This was due to the exceedingly poor handling of punts by Hillix and the seemingly biased decisions of Hope, a Washburn graduate who umpired. Hope gained more ground for the Washburn team than did the eleven players. He called five penalties, all against Wentworth and four of them at times when his team badly needed a few yards.

The most unfortunate feature of the game was the injury of Wilson, Wentworth's star center. Early in the second half he was caught in a scrimmage and his leg was broken just above the ankle. That puts him out of the game for the rest of the year. He was one of the best men on the team and his loss weakens the line considerably.

The defense of the cadets was as usual superb, even though part of the line-up consisted of substitutes. The two Cooks, Owens and Wyatt gained most of the ground. Where the Topeka gained was on punts. Walworth frequently after punting recovered the ball.

The cadets started off with a rush. Owens kicked off to Adams on Washburn's twenty-six yard line and he returned it five yards. Walworth made four yards and then punted. Cook brought the ball to the 30-yard line and on the next play made 15 yards. Crawford failed to gain in two attempts and Owens tried a place kick which fell short. Washburn punted from the 3-yard line and Cook brought the ball back to the 16-yard line. Cook II gained 5 yards and Owens 3. Then Owens made his place kick, the only score of the game.

During the remainder of the play the ball sawawed over the field, neither side having a great advantage. At the close of the first half Washburn had the ball on the cadets' 5-yard line. At the end of the game Wentworth had the ball on Washburn's 25-yard line.

Bowman, Adams and Walworth were the best men for the visiting team.

For curative results, summer is one of the best seasons of the year to visit

Hot Springs, Ark.

Owing to its high altitude, pure mountain air, constant breezes, moderate midday temperature and cool refreshing nights, summer is a most delightful time at this famous health and pleasure resort.

If the reader wants health that all other means have failed to give him; if he wants surcease from pains and woes which medicine has failed to dislodge; if his mind is surfeited with the monotony of business or the sameness of pleasure; if he feels that nothing shall avail him until he is new-made, the place for him, for her, is the Hot Springs of Arkansas, America's Thermal Wonderland.
